## Halliburton to Present at the Calyon Securities 2008 Energy Conference

May 7, 2008

HOUSTON--(BUSINESS WIRE)--May 7, 2008--Halliburton (NYSE:HAL) announced today that it will present at the Calyon Securities 2008 Energy Conference on Thursday, May 15, 2008, at 7:30 a.m. Central Time (8:30 a.m. Eastern Time).

Interested parties may listen to the presentation live over the Internet by accessing the link to the web cast at [www.halliburton.com](http://www.halliburton.com). Please go to the web site at least 15 minutes early to register and to download and install any necessary audio software. For your convenience, a copy of the presentation will be available on Halliburton's web site to download. A replay will be available on the web site for seven days following the presentation.

Founded in 1919, Halliburton is one of the world's largest providers of products and services to the energy industry. With more than 50,000 employees in approximately 70 countries, the company serves the upstream oil and gas industry throughout the lifecycle of the reservoir - from locating hydrocarbons and managing geological data, to drilling and formation evaluation, well construction and completion, and optimizing production through the life of the field. Visit the company's World Wide Web site at [www.halliburton.com](http://www.halliburton.com).
