Halliburton to Present at the 2010 Jefferies Global Energy Conference

November 19, 2010

HOUSTON, Nov 19, 2010 (BUSINESS WIRE) -- Halliburton (NYSE:HAL) announced today that it will present at the 2010 Jefferies Global Energy Conference on Wednesday, December 1, 2010, at 1:20 p.m. Central Time.

Interested parties may listen to the discussion live over the Internet by accessing the link to the webcast at <http://www.halliburton.com>. Please go to the Web site at least 15 minutes early to register and to download and install any necessary audio software. For your convenience, a copy of the presentation will be available on Halliburton's Web site to download. A replay will be available on the Web site for seven days following the presentation.

Founded in 1919, Halliburton is one of the world's largest providers of products and services to the energy industry. With more than 55,000 employees in approximately 70 countries, the company serves the upstream oil and gas industry throughout the lifecycle of the reservoir - from locating hydrocarbons and managing geological data, to drilling and formation evaluation, well construction and completion, and optimizing production through the life of the field. Visit the company's Web site at <http://www.halliburton.com>.
