

HALLIBURTON

Halliburton to Present at the Capital One Southcoast 2012 Energy Conference

November 19, 2012

HOUSTON--(BUSINESS WIRE)--Nov. 19, 2012-- Halliburton (NYSE: HAL) announced today that it will present at the Capital One Southcoast 2012 Energy Conference, December 4, 2012, at 8:00 a.m. Central time (9:00 a.m. Eastern time).

Interested parties may listen to the presentation live over the Internet by accessing the link to the webcast at www.halliburton.com. Please go to the website at least 15 minutes early to register and to download and install any necessary audio software. A replay will be available on the website for seven days following the presentation.

Founded in 1919, Halliburton is one of the world's largest providers of products and services to the energy industry. With more than 70,000 employees in approximately 80 countries, the company serves the upstream oil and gas industry throughout the lifecycle of the reservoir – from locating hydrocarbons and managing geological data, to drilling and formation evaluation, well construction and completion, and optimizing production through the life of the field. Visit the company's website at www.halliburton.com.
