

HALLIBURTON

Halliburton to Present at the UBS Houston Energy Symposium

September 12, 2013

HOUSTON--(BUSINESS WIRE)--Sep. 12, 2013-- Halliburton (NYSE: HAL) announced today that it will present at the UBS Houston Energy Symposium, September 18, 2013, at 12:30 p.m. Central time (1:30 p.m. Eastern time).

Interested parties may listen to the presentation live over the Internet by accessing the link to the webcast at www.halliburton.com. Please go to the website at least 15 minutes early to register and to download and install any necessary audio software. A replay will be available on the website for seven days following the presentation.

About Halliburton

Founded in 1919, Halliburton is one of the world's largest providers of products and services to the energy industry. With more than 75,000 employees, representing 140 nationalities in approximately 80 countries, the company serves the upstream oil and gas industry throughout the lifecycle of the reservoir – from locating hydrocarbons and managing geological data, to drilling and formation evaluation, well construction and completion, and optimizing production through the life of the field.
