

HALLIBURTON

Halliburton to Webcast 2013 Analyst Day

October 24, 2013

HOUSTON--(BUSINESS WIRE)--Oct. 24, 2013-- Halliburton (NYSE: HAL) announced today it will webcast the Halliburton 2013 Analyst Day on Wednesday, November 6 from 8:00 a.m. Central Time (9:00 a.m. Eastern Time) to 12:30 p.m. Central Time (1:30 p.m. Eastern Time).

Interested parties may listen to the presentations live over the Internet by accessing the webcast at www.halliburton.com. Please go to the website at least 15 minutes early to register and to download and install any necessary audio software. For your convenience, a copy of the presentations will be available on Halliburton's website to download. A replay will be available on the website for seven days following the conference.

Founded in 1919, Halliburton is one of the world's largest providers of products and services to the energy industry. With more than 75,000 employees, representing 140 nationalities in approximately 80 countries, the company serves the upstream oil and gas industry throughout the lifecycle of the reservoir – from locating hydrocarbons and managing geological data, to drilling and formation evaluation, well construction and completion, and optimizing production through the life of the field. Visit the company's web site at www.halliburton.com.
