

Halliburton Kicks Off 100th Anniversary by Ringing the NYSE Opening Bell

November 5, 2018

HOUSTON--(BUSINESS WIRE)--Nov. 5, 2018-- Halliburton Company (NYSE: HAL), founded in 1919, is kicking off its 100th anniversary celebration by ringing The Opening Bell[®] today at 9:30 a.m. Eastern Daylight Time. Halliburton President and CEO Jeff Miller will be joined at the event by Halliburton Executive Chairman Dave Lesar and other members of Halliburton management.

"Reaching our 100th anniversary signifies a milestone few companies will ever achieve and is a testament to the hard work of our employees who deliver on our core values, including integrity, safety, creativity and reliability," Miller said. "From the humble beginnings of our founder Erle P. Halliburton, Halliburton has innovated, collaborated and executed, through economic and industry cycles, to become a global leader in oilfield services and technology. We look forward to our next century and continuing to deliver superior service to our customers and unparalleled industry returns to our shareholders."

Halliburton will celebrate its 100-year anniversary throughout 2019 with employee, customer and community events. To learn more about the 100 years of Halliburton and the people and technologies that have built the company, please visit hal100.com.

A live webcast of the event can be accessed on the home page of www.nyse.com beginning at 9:25 a.m. EDT.

ABOUT HALLIBURTON

Founded in 1919, Halliburton is one of the world's largest providers of products and services to the energy industry. With 60,000 employees, representing 140 nationalities in more than 80 countries, the company helps its customers maximize value throughout the lifecycle of the reservoir – from locating hydrocarbons and managing geological data, to drilling and formation evaluation, well construction and completion, and optimizing production throughout the life of the asset.
