

Halliburton Named to the Dow Jones Sustainability Indices for Third Consecutive Year

January 3, 2024

HOUSTON--(BUSINESS WIRE)--Jan. 3, 2024-- Halliburton Company (NYSE: HAL) has been named to the 2023 Dow Jones Sustainability Indices (DJSI). 2023 marks the third consecutive year that the company has been named to the list.

DJSI assesses the sustainability performance of companies using a transparent, rules-based process based on the annual S&P Global Corporate Sustainability Assessment (CSA). Only the top ranked companies are selected for inclusion in DJSI. This year, the indices recognized Halliburton as a sector leader in Transparency & Reporting and Resource Efficiency & Circularity.

"At Halliburton, we are constantly developing new and better ways to meet the growing global energy demand while advancing a more sustainable energy future," said Summer Condarco, senior vice president of Service Quality, Continuous Improvement, and Chief HSE Officer. "We are honored to be recognized by the Dow Jones Sustainability Indices for our commitment to sustainability leadership."

For more information on the DJSI and methodology, please visit the [S&P Global website](#).
