Halliburton 2001 First Quarter Teleconference

April 17, 2001

DALLAS, April 17 /PRNewswire/ -- Halliburton Company (NYSE: HAL) plans to release its 2001 first quarter financial results Wednesday afternoon, April 25, 2001, at 3:00 PM Dallas time (Central Time).

A press release concerning the earnings will be posted on the Halliburton web site and e-mailed or faxed to the investment community immediately following release through PR Newswire and First Call. Also, the release will be available on the Dow Jones newswire.

In anticipation of your interest, following issuance of the release we have scheduled a teleconference call for Wednesday afternoon, April 25, 2001, at 4:00 PM Central Time, 5:00 PM Eastern Time. Halliburton management will discuss various aspects of the financial report, current and future business factors, and will answer questions from investment analysts.

If you plan to participate in the teleconference call, please telephone (913) 981-5571 ten to fifteen minutes prior to starting time and refer to confirmation code 521891.

In addition, Halliburton's 2001 first quarter teleconference call will also be available over the Internet on a listen only basis. To join the call over the Internet go to www.halliburton.com, look for the webcast link, then click on that link. You should plan to visit the web site before the actual time of the call to complete the PRE-EVENT SYSTEM TEST which will take 10 to 15 minutes. The entire teleconference call will be broadcast live, and a replay will be available on the Halliburton web site for seven days following the event.

Halliburton Company, founded in 1919, is the world's largest provider of products and services to the petroleum and energy industries.
