INFORMATION TO BE INCLUDED IN REPORT

Item 5.05. Amendment to the Registrant's Code of Ethics, or Waiver of a Provision of the Code of Ethics.

On February 16, 2005, the Board of Directors approved an amendment to Halliburton's Code of Business Conduct, Policy 3-0008, "Use and Public Disclosure of Inside Information", by adding a provision "Rule 10b5-1 Trading Plans" (see below). A copy of the amended policy is available on www.halliburton.com.

Rule 10b5-1 Trading Plans. Rule 10b5-1 provides an affirmative defense for insider trading liability under Rule 10b-5 for transactions made pursuant to a previously established contract, plan or instruction (a "10b5-1 Plan"). Directors, Employees or agents subject to the trading restrictions set forth in this Policy may, notwithstanding such restrictions, purchase or sell the Company's securities without regard to whether such purchase or sale is within a Window or a Permitted Period or when the Director, Employee or agent has material inside information, if such purchase or sale is made pursuant to a 10b5-1 Plan, which is adopted and administered in compliance with the following:

- When a Director, Employee or agent is not subject to either a Window Group or Restricted Group restricted period and such person is not in possession of material nonpublic information, such person may enter into a binding, written plan or agreement to purchase or sell securities pursuant to a "10b5-1 Plan". Subsequent modifications of such written plans must also occur during similar time periods.
- In order to be a valid 10b5-1 Plan, the arrangement must satisfy the requirements of Rule 10b5-1, including documenting a previously established, bona fide plan that specifies the price, amount and date of trades, or provides a formula or mechanism to determine such information.
- All Directors, Employees and agents who are either in the Window Group or the Restricted Group must obtain prior review and clearance of a 10b5-1 Plan by the General Counsel or his or her designee, who may exercise absolute discretion in approving or disapproving a 10b5-1 Plan or any modification thereto. Notification to the General Counsel or his or her designee, but not prior review and clearance, is required for termination of a 10b5-1 Plan.
- All 10b5-1 Plans must provide that trading will cease during any employee benefit plan blackout periods. The Company will provide written notice of any such blackout periods in advance.

While a 10b5-1 Plan will allow a Director, Employee or agent to purchase or sell securities while in possession of material nonpublic information, such persons remain obligated to observe all other prohibitions on trading on material inside information detailed above.
